Professional Summary

Proactive and detail-oriented Computer Science student with hands-on experience in **software development**, specializing in **MERN stack technologies** (MongoDB, Express.js, React.js, Node.js). Skilled in writing clean, efficient code using **JavaScript**, **HTML**, and **CSS**, and managing databases with **MongoDB**. Demonstrated ability to collaborate on real-world projects, delivering functional applications while sharpening problem-solving and teamwork skills. Passionate about coding, learning new tools, and contributing to innovative software solutions. Seeking a **Junior Software Developer** role to apply my technical foundation, grow as a developer, and support team success in a dynamic environment.

EDUCATION

Bachelor of Computer Applications (BCA)

Kristu Jayanti College, Bangalore
2022 - 2025 | 68.94%

PUC (12th)

Holy Cross Higher Secondary School, Nagaland
2020 - 2022 | 74%

SSLC

Bethesda Higher Secondary School, Nagaland
2020 | 73%

WORK EXPERIENCE

Kristu Jayanti Software Development Centre - *Bengaluru, Karnataka*   June 2024 - August 2024

MERN Stack Developer Intern

- Developed a Visitor Gate Pass System using MERN stack
- Wrote reusable React.js components and optimized Node.js
- Worked with a 4-member team to integrate UI/UX enhancements.

PROFESSIONAL SKILLS

- **Proficient in JavaScript, React.js, and Node.js**, with expertise in writing clean, modular code, developing dynamic web applications, and building scalable backend solutions using the MERN stack.
- **Solid knowledge of MongoDB**, including database design, data insertion, querying, and integrating with Node.js for efficient data management in full-stack projects.
- **Fundamental understanding of Git and VS Code**, enabling version control, collaborative coding, and streamlined development workflows for team-based software projects.
- **Basic proficiency in UI/UX design principles**, with experience in creating responsive interfaces using CSS (Tailwind), Material-UI, and graphic design tools to enhance user experience.

STRENGTH

- Excellent communication skills, both written and verbal
- **Strong teamwork** and collaboration abilities
- **Adaptable** and quick to learn new tools and technologies
- Highly self-motivated with a drive for excellence and achieving results
- Strong problem-solving skills with the ability to analyze data and develop effective solutions
- **Attention to detail**, often producing accurate and error-free work

CERTIFICATIONS

- **Udemy** Selenium webdriver with PYTHON from Scrath + Frameworks
- **NPTEL** The Joy of Computing using Python
- **MongoDB** Java Developer Path
- **Palo Alto** Networks Cybersecurity Academy

LEADERSHIP EXPERIENCE

- **Event Head** at the national level Inter Collegiate IT Fest – Xactitude 2023.
- **Event Head** at the National level Inter Collegiate IT Fest – Xactitude 2024.
- **Event Head** at intra-collegiate IT Fest – Synchronize 2024.
- **Media Head** of Uipath Community Kristu Jayanti College.
- **Volunteered** at the International Conference on Computational Intelligence.

ACHIEVEMENTS

- Successfully developed and implemented the **Visitor Gate Pass System** at Kristu Jayanti College.

- **Best Tech Student** of MBA batch 2022-2024.

LANGUAGES

- **English** - Fluent (Speaking, Reading, Writing)
- **Hindi** - Fluent (Speaking, Reading, Writing
